OIE Sub-regional representative in Brussels

Possible financial gaps for OIE regional activities of particular interest for Europe

Eighth meeting of the Regional Core Group (RCG8), Madrid

[...]

Next meeting of the Regional Core Group

Initial suggestions of topics to be discussed at the RCG8 in Madrid:

- Possible financial gaps regarding OIE activities of interest for the regional commission for Europe, including the regional website, animal welfare activities of neighbouring regions with an impact on AW in transportation from Europe, etc. Responsibility: Fabien Schneegans (OIE SRR Brussels).
