1.6. Supporting the OIE's Mandate on Animal Welfare		ACTIONS	
1	Identify opportunities to promote and support Countries adherence to the provisions within the OIE Codes on Animal Welfare, including, where relevant, the development and implementation of Regional Animal Welfare Strategies.		
2	Help identify new (regional) topics that are likely to be relevant to animal welfare standard setting at international level.		
3	Support and organise, when relevant, training of OIE national focal points for animal welfare.		
4	Increase political will in animal welfare standards implementation, including communicating regional success stories and/or by identifying regional champions (Countries or individuals).
