SGE on ASF for the Americas

Technical Cooperation and Regional Coordination:

- Last meeting SGE ASF: June 2020, focused on ASF entry Risk
 - Support on early detection and preparedness
- Development of ASF contingency plans based on already existing technical capacities in the countries.
- Capacity building:
 - Preparedness, risk awareness and communication (EUFMD/FAO Regional Offices/USDA-APHIS)
 - Online training for good emergency management practices for animal health (EMC-AH/ USAID)
- Communications Strategy
