The OIE logo features the letters 'Oie' in a red serif font. A small globe is positioned above the letter 'i'. A thin black arc is drawn below the letters.

SPECIFIC COUNTRY NEEDS

Fourth OIE Regional Workshop on Stray Dog population management for Balkan countries

Online - November 30th, 2021

Tomasz Grudnik - OIE SRR Office in Brussels

SPECIFIC COUNTRY NEEDS RAISED AT THE SDB3 IN 2018 AND EXPECTED TARGETED SUPPORT IN BETWEEN WORKSHOPS

- Funds, budgetary resources (programs funded by donors / resources partners (i.e. wildlife rabies control is funded by EU))
- Training programs, workshops - (specific topic addressed at SDB workshop, possibility for developing online training modules)
- Development of National Control Strategy / Development of regional/municipal stray dog strategies (political and economical commitments + technical assistance)
- Education and awareness/ Establishment of raising awareness campaign at municipal level (involvement of national FP on communication)
- Development of a comprehensive database for dog shelters
Equipment (see funds)
- System of Identification and Registration at national level
- Establishing system for counting the number of stray dogs
- Regional and national collaboration and communication
- Technical assistance (sharing countries experience, OIE CC, RAWC, Task force)
