ORV Campaign		✓					
Spring campaign		✓					
Autumn campaign		✓					
SURVEILLANCE							
Passive surveillance	✓						
Active surveillance <i>(like the one accompanying all ORV)</i>		✓					
Other type of active surveillance <i>(please describe)</i>		✓					

Additional activities

Specific activities linked to additional movements of pets / wildlife as a consequence of the conflict in Ukraine:

- **Derogation for entry of pet animals**
 - The owner must fill in the application
 - A contact point has been established at HQ of AFSVSPP to accept applications: pets-crisisUA.uvhvvr@gov.si .
 - Once the animal arrives at its destination, remains in isolation until the general conditions for entry into the EU are met as set out in the decision of the Regional Office of the AFSVSPP (marking, vaccination, titration test)
- **No derogation for stray animals or animals from shelters**
