Regional stray dog Roadmap for Balkans

Achievement/impacts:

- Strong countries commitment and progressive interest
- Regular self-assessment and monitoring of DPM progresses
- 5 countries with DPM National Action Plans
- Building capacity and expertise
(i.e. collaboration with RAWC network of DPM experts)
- Data used for the WOAHA Observatory (2022 Annual Report)

SAM Tool 2.0 will be used in support to the progression of the roadmaps

Experience extended outside the Europe region: North Africa and Middle East

Priority topic activities

- **Transport of animals by land and by sea**
 - Whole Journey Scenario Workshops (Europe, the Middle East, North Africa)
 - Network of contact points
 - Self-assessment and monitoring tool
- **Slaughter of animals**
 - development of online materials and follow up on previous ToT workshops
- **Welfare of animals in disasters**
 - Pilot project on the role of Veterinary Services on animal welfare in natural disasters for Balkan countries (completed with the simulation exercise in October 2021)
 - survey on “Veterinary Services’ preparedness for animal welfare emergencies during natural disasters”
 - Stakeholders' consultation (March 2023)
- **Welfare for working equids**
 - Online event raise awareness and to further identify WOAH members needs
