WOAH has launched a global programme of capacity building for WOAHA Delegates and WOAHA National Focal Points.

The aim of this programme is to provide good governance concepts for improving animal health, animal welfare and food safety of animal origin products at national, regional and international level, and to explain and clarify the role and responsibilities of WOAHA National Focal Points within WOAHA activities.

**Kakheti, Georgia
13-15 October 2015**

**Chisinau, Moldova
25-27 April 2017**

**The Hague, The Netherlands
18-20 June 2019**

**teleconference
16-17 November 2022**

This seminar will aim at providing participants with knowledge on the obligations, commitments and responsibilities of the WOAHP National Focal Points in the standard setting process and in implementing the WOAHP international standards.

It will provide the participants with information on Animal Welfare and on specific responsibilities of National Focal Points in this area.

This seminar will also facilitate the sharing of experiences and the discussion between countries of the region and stakeholders.
