

Online Pre-meeting of the

One Health Partner Platform Meeting Europe and Central Asia

12th June 2024 16:00 – 18:00 CEST

- ◀ Background and objectives of the Quadripartite Partner Platform
- ◀ Partners presentation of their main objectives and current/coming One Health activities in Europe and Central Asia

Partner Platform

◀ Background

2021 FAO – WHO – WOAH ➡ Tripartite joining forces to strengthen optimal use of available resources, foster synergies and avoid duplication of efforts in the fight against health risks in the human-animal - environment interface

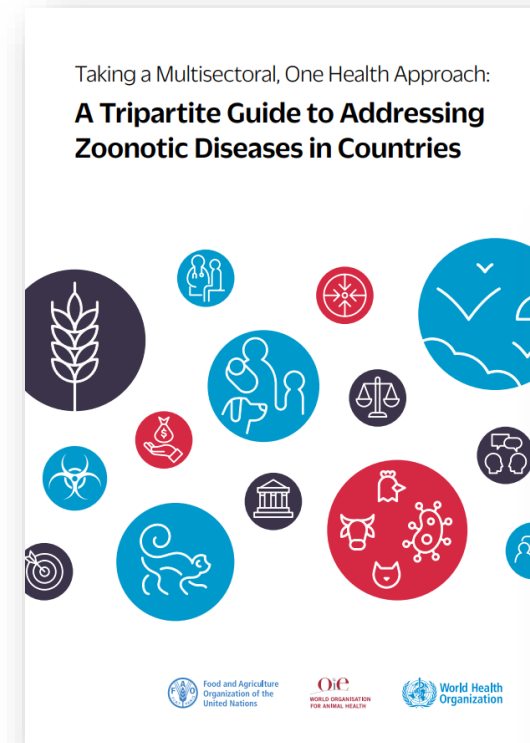

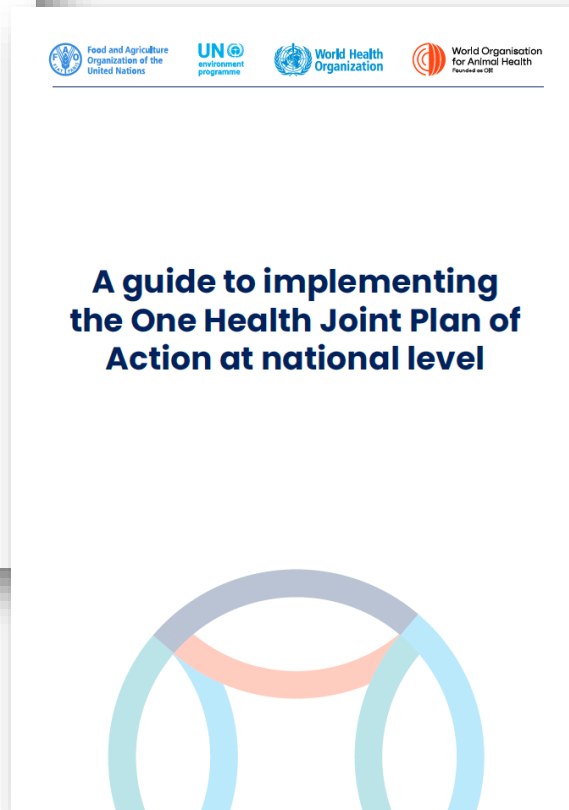

2022 UNEP followed ➡ Quadripartite Regional One Health Coordination Mechanism (ROHCM)

◀ Aim

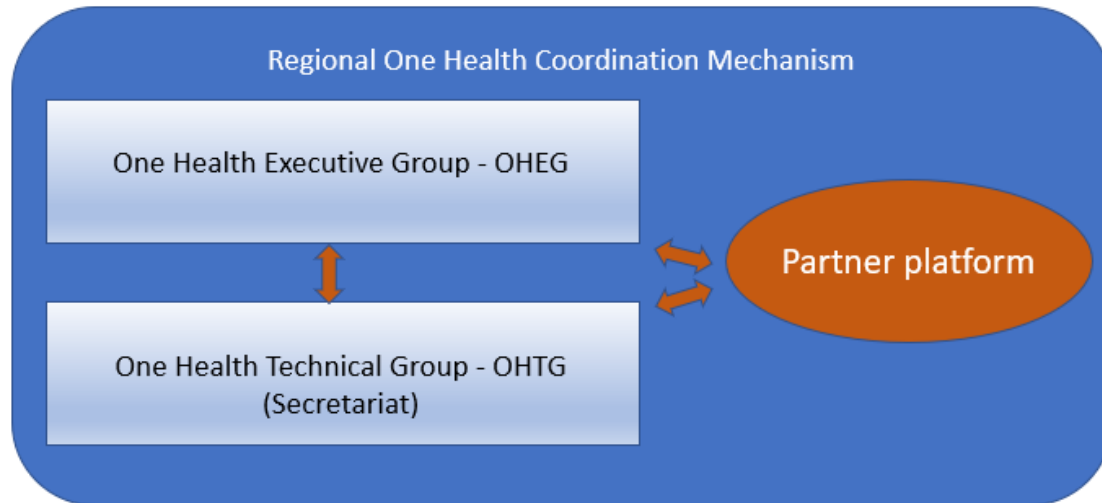

Cooperation between the Regional Offices of the Quadripartite to support Member States on the implementation of the One Health approach

Quadripartite Collaboration

Regional One Health Coordination Mechanism (ROHCM) structure

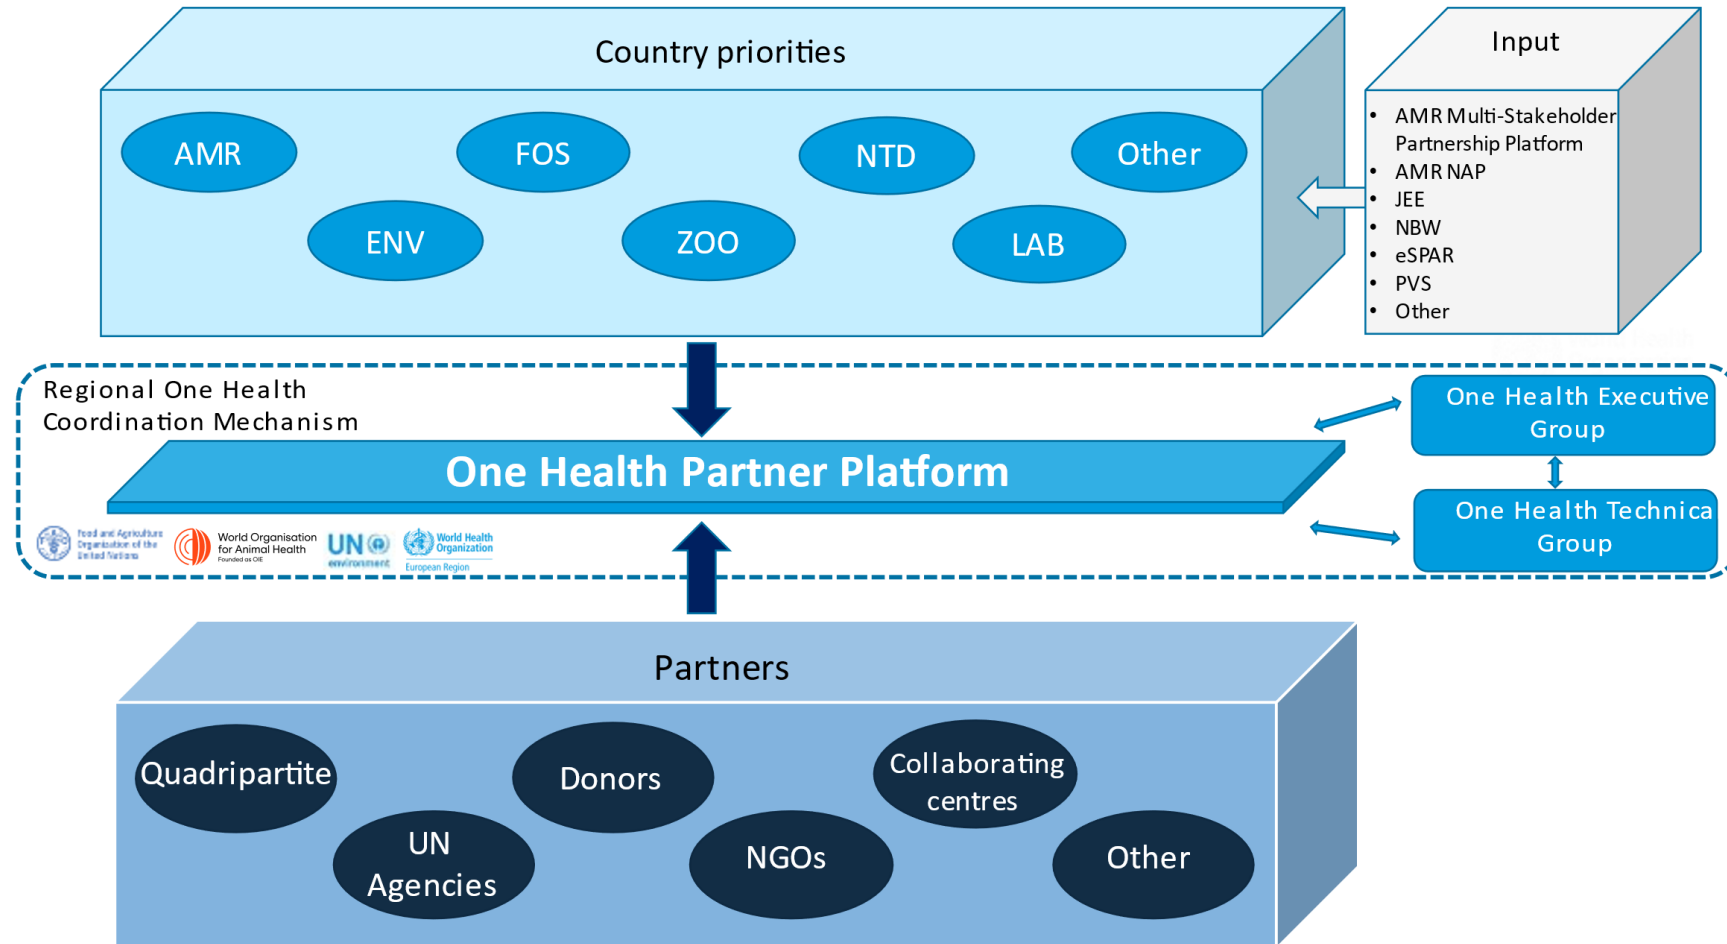

One Health Executive Group (OHEG) - Ensures political engagement, provides leadership and governance, and defines the strategic directions and aligns the regional work in the global work on One Health

One Health Technical group (OHTG) - coordinates technical support to Member States to support and strengthen One Health efforts

Partner Platform - convene multiple partners from various sectors including other UN agencies, international organizations, Member State representatives, academia, private sector representatives and civil society. Combine resources to avoid duplication and seek synergies for One Health support to countries in order to maximize impact and leave no country behind.

Partner Platform objectives
