

Peste des petits ruminants in Greece

*Ministry of Rural Development and Food
Directorate General of Veterinary Services
Animal Health Directorate
Department of Infectious and Parasitic Diseases*

***GF TADs PPR on line meeting
04.09.2024***

PPR in Greece July 2024 - August 2024 **(2024/1-2024-62)**

✓ **6 Regions**

✓ **10 Regional Units**

Larisa RU 25 outbreaks

Korinthia RU 14 outbreaks

Trikala RU 8 outbreaks

Aetolia-Akarnania RU 4 outbreaks

Ilia RU 3 outbreaks

Rodopi RU 3 outbreaks

Irakleio RU 2 outbreaks

Drama RU 1 outbreak

Karditsa RU 1 outbreak

West Attica RU 1 outbreak

PPR in Greece July 2024 - August 2024 (2024/1-2024-62)

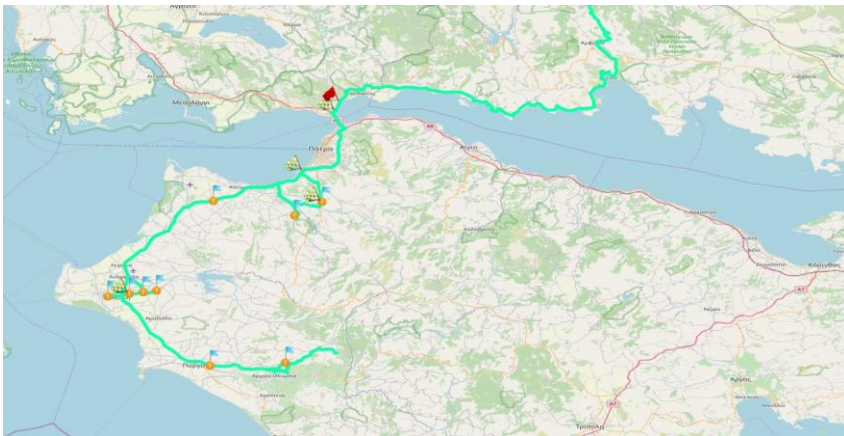

- **census**
- **production, health and traceability records analysis,**
- **clinical examination,**
- **control of the implementation of biosecurity measures,**
- **passive surveillance (sampling)**

- All measures foreseen in Reg.(EU) 2020/687 and the National Contingency Plan No 1747/386028/14.12.2023 are implemented:
- ✓ **Zoning:** Protection Zone with a radius of 3 Km, Surveillance Zone with a radius of 10 Km, Further Restricted Zones
- ✓ **Total Stamping out** of all animals in the affected flocks
- ✓ **Sanitary burial, Incineration** of carcasses
- ✓ **Animal Movement Control within the zones**
- ✓ **Prohibition of the dispatch** outside the infected RUs, of live ovine and caprine animals as well as semen, ova, embryos, ovine and caprine animal by-products, hides and skins.
- ✓ **Cleaning and disinfection** of the farms
- ✓ **Enforcement of biosecurity measures** regarding farms, slaughterhouses and commercial activities.
- ✓ **Surveillance of all herds within the Surveillance and the Protection Zone**

PPR in Greece July 2024 - August 2024 (2024/1-2024-62)

Surveillance Activities

- **Passive Surveillance** throughout the country
- **Surveillance within protection and surveillance zones**
- **Targeted surveillance** (movements of livestock traders, milk zones, feed distribution zones, epidemiological link)
- **Guided surveillance** (surveillance of specific animal routes)

- ✓ First visits
- ✓ 5365 holdings (100%)
- ✓ 1.031.148 sheep and goats (100%)
- ✓ 100-150 vets from public sector, army, private veterinarians, Universities, Civil Protection, Police

PPR in Greece July 2024 - August 2024 (2024/1-2024-62)

Εστίες PPR

Number of notified outbreaks per week

***PPR in Greece July 2024 - August 2024
(2024/1-2024-62)***

Movements restrictions

- ✓ **Temporary suspension of the exports of consignments of sheep and goats, for any purpose, from the entire territory of Greece to the other EU Member States and TC**
- ✓ **Temporary suspension of all INTRA-Eu movements of consignments of sheep and goats from Romania, until the epidemiological situation in both countries is improved.**
- ✓ **All movements of sheep and goats for fattening, breeding, slaughter, and to summer pastures are prohibited across the entire country from July 29th to August 18th.**
- ✓ **Starting August 19th movements of sheep and goats for slaughter can be carried out with strict biosecurity measures. However, slaughter remains prohibited in Regional Units with confirmed outbreaks. These restrictions also apply to cattle from farms where sheep and goats are kept.**
